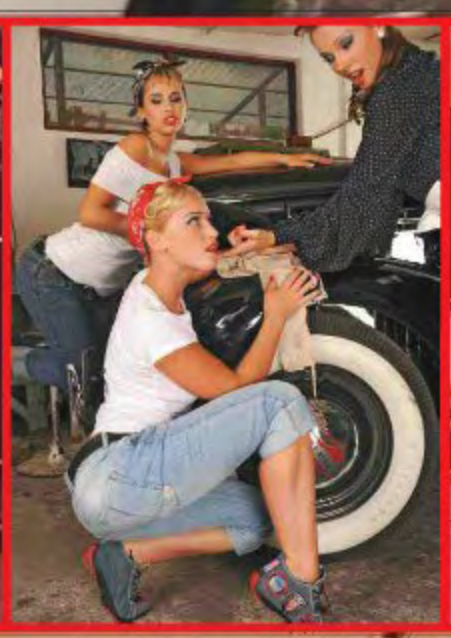
GREASE MONKEY BUSINESS



29977

Sandy hopes a fuck fast will help induce spiritual clarity, so no sex for 72 long hard hours! But you can't just park a pussy for the weekend and walk away. Preparing a classic snatch for long-term storage necessitates the same planning as storing a vintage auto. Constant lubrication and regular fluid checks help avoid potential pussy rot. Minge mechanics **Alexa** and **Kathia** grease up and begin to detail Sandy's cock socket. The boobed lubers lick the dried cum from Sandy's undercarriage, tonguing the goop up her sweet crease and sucking her salty clit. Sandy's fuck famine might not lead to nirvana, but the preparation is paradise enough.

TILA TEQUILA UNCORKED!

VIVID CELEB
2-disc set
TILA TEQUILA
UNCORKED!
A Shot of hardcore from the star of MTV's Shot At Love
First Time Ever! All-Girl Celebrity 3-Way!

By ROB PEREZ **PHOTOS COURTESY OF VIVID**

It almost seemed as if Tila Tequila was created expressly for the social network/reality TV age, becoming one of the Internet's first mega-celebrities via Myspace and attaining a rabid, loyal following of over a million strong. At the height of her success, she starred in her very own MTV show called *A Shot at Love with Tila Tequila*. It was reality TV's first bisexually themed show and the reality hits just kept coming through 2000 for the tiny, tight temptress. Tila appeared on more major men's magazine covers than any other reality starlet. She starred on numerous cable shows and could always be found at the latest A-list bar or restaurant openings throughout Los Angeles, in addition to snagging her share of cameos in a handful of major Hollywood motion pictures.

Then, as with most celebrities who receive one quick "shot" of fame, Tila's celebrity star quickly diminished. *Myspace* tanked in the wake of other more successful social networking websites like *Facebook* and *Twitter* soon making the scene, and shows like *A Shot at Love* were soon canceled and quickly replaced by mayhem-friendly muscle-head creations like *Jersey Shore*. Then, as if things couldn't get any worse, in came the Kardashian Sisters, Kim, Khloe, and Kourtney, and a virtual three-headed dragon of TV, print, and web PR was born. Tila Tequila had peaked, and some of her fans including herself, found it hard to swallow that the pseudo-celebrity star's future consisted of charging $5-per-autograph at reality TV conventions across the country.

Now virtually out of the public eye, except for the occasional appearance at an Insane Clown Posse concert, in which she was hit with debris and booed off the stage, Tila made headlines again when Vivid Celeb released *Tila Tequila: Uncorked*, reportedly much to Tila's surprise. Billed as the "World's First All-Girl Celebrity 3-Way", Tila quickly found herself the talk of the town again. However Tila was livid, telling noted celebrity source *RadarOnline* that the sex tape was released without her consent or permission. "Recently, an intimate video with me, my then-girlfriend and another friend was leaked online. This video was taken years ago and I'm disappointed that it has surfaced, especially now when all of these positive things are going on in my life. I do, however, have to take responsibility for my part in making the video, which I do. Although this video was not meant for the public to see, I hope that this will not affect my career and that I will continue to work hard at achieving my goals in this industry. I want to apologize if I let any of my fans down; I love them and appreciate their support. All I can do now is stay strong, chalk it up as a lesson learned and move on."

Several questions remain. Remarkably, Tila's co-stars on *Tila Tequila: Uncorked* turned out to be none other than porn powerhouse chicks Kristina Rose and Charlie Lain. Evidently, Kristina is the "girlfriend" Tila referred to in her statement. If Kristina was her girlfriend, then why on the tape do the two make references to the fact that they just met? Perhaps Tila knew of both Kristina's and Charlie's porn careers and just decided to conceal this fact. Also, if Tia's story is to believed, perhaps she never concerned herself with her "famous friends" reputations because she never thought the sex tape would ever be made public. Critics, however, challenge this, insisting that the sex tape is too well

produced, too well shot for it to be considered truly "homemade."

In the end, everything is just purely speculation. HIGH SOCIETY tried to contact Charlie [Lain] and Kristina [Rose] for comment, as well as Tila, who never responded back to our repeated requests for an interview. As for Charlie, she also ignored our interview requests. Kristina, however, did reply to our email with this statement, "Sorry. No Comment. ;)" Perhaps Kristina's Smiley Face wink speaks volumes, perhaps not.

"There is enormous interest in this sexy and controversial celebrity, so when we were offered footage of her with two of her girlfriends, we acted immediately," said Steven Hirsch, founder/co-chairman of Vivid. "Their sex is extraordinarily graphic and hot. We know that our fans will enjoy it because Tila's sexual appetite is like her life style—she holds nothing back. It should be noted that there's been a fake Tila Tequila sex tape out there for years, but I can assure you that ours is totally authentic." Mr. Hirsch added that he is comfortable with Vivid's legal position in releasing the sex tape, which he understands was shot within the past two years.

Whether the tape was released without Tila's consent or it was planned, we can't deny that the action is extremely hot, with Tila and Kristina locking lips before indulging in each other's sweet exotic cherry pie. Tila looks great, her body smoking as she lies around and writhes all over the bed. The complete trio looks great, but you won't be able to take your eyes off of Tila. She's amazingly well put together, with a great set of tits, long legs, a cute ass, and the sort of pink pussy that any guy—or girl—would want to eat all night. When it comes to sex action, all the girls are enthusiastic, hot, and definitely worth watching. What HIGH SOCIETY found especially interesting, though, was the relaxed, casual manner in which this content was shot, there is a palpable impromptuness in the film's nature, with party girl Tila just kicking back when she isn't licking vag. There is certainly a strong must-see factor to *Tila Tequila: Uncorked*. One gets this feeling right from the very beginning of this sex tape.

Tila Tequila: Uncorked opens with Tila and Kristina in a high-rise hotel room, passing the camera back and forth for a little lingerie-clad fun. Tila is holding it as Kristina goes down on her. The two really kind of dance around the sex for the most part until both get down to some serious touching and Tila shows off the sort of oral skills that would certainly make her popular with chicks. Then the camera comes in close to get a gander at Tila's pink playground. Eventually Kristina breaks out a toy and puts her porn star talents to good use by showing Tila how they do it in the Valley.

As soon as Charlie Lain joins in the three-girl party, all the clothes immediately come off and everyone's ecstasy meter goes off the charts . The action isn't pure porn at its zenith, but it's damn close. That's because Charlie seems particularly fond of Tila's pussy. Tila does some two-finger fucking while she gets her ear nibbled. The trio break out a toy and Tila plays around with it for a while before the porn chicks make Tila the center of the action—and Tila certainly soaks it up, loving the feel of two talented tongues working over her pretty, little twat.

At the end of the day, *Tila Tequila: Uncorked* is a solid celebrity sex video, and it's a nice change of pace in many ways. It's spontaneous, sexy, and worth checking out whether or not you prefer bourbon to tequila.

"WHETHER THE TAPE WAS RELEASED WITHOUT TILA'S CONSENT OR IT WAS PLANNED, WE CAN'T DENY THAT THE ACTION IS EXTREMELY HOT, WITH TILA AND KRISTINA LOCKING LIPS BEFORE INDULGING IN EACH OTHER'S SWEET EXOTIC CHERRY PIE."

FIRMITIVE ACTION

Nobody ever said you have to be a fucking genius to be in porn. Frankly, as long as you're a hot chick who can put one foot in front of the other and spread your legs on command, you can be dumber than dirt and succeed in the fuck biz. Cocoa-coated **Skin Diamond** and punky pageboy, **Aspyxia Noir** met their fiendish friend **Xander** digging for dinner in a West Hollywood dumpster on their way to get more facial tattoos. They brought him home and cleaned him up as though he were a stray. "He doesn't say much," said Skin, "but at least he isn't neutered."

GREAT SCOTT!

This strapping slut is none other than **Spencer Scott**. She's kinda like a bagel—tough on the outside, tender on the inside, with a nice hole in the middle! This biker bitch struts her stuff with a no-nonsense approach that always keeps her in control, even when she's bent over a chair getting fucked doggie-style. Her big tits sway and her soft pussy seals like a vacuum around your cock, making for one hell of a ride. Just don't try and impose your will on Spencer. "I like to call the shots," says Spencer. "And trust me, guys do *whatever* I tell them to do when I'm getting fucked!" Who are we to argue with this tough cookie? Her wish is our command!

IT'S HIGH NOON AT THE END OF THE UNIVERSE IN SAM HAIN'S WICKED SCI-FI EPIC

HORIZON

On-Set Report by Roads To Moscow

From *Euphoria* to *Space Nuts*, Wicked Pictures has released some of the past decade's most critically acclaimed XXX science fiction epics. And given this formidable track record, it should come as no surprise that the company has enlisted the services of AVN award-winning filmmaker and genre specialist **Sam Hain** to helm *Horizon*, an imaginative foray into the realm of big budget, original sci-fi starring Wicked Girls **jessica drake**, **Kaylani Lei**, **Alektra Blue** and a host of other A-list performers. And as this erotic interstellar adventure is Hain's first major project for Wicked, he's more than happy to welcome members of the press to cover the creation of the film's elaborate sex scenes.

Upon our arrival at the production company's sprawling downtown soundstages, the friendly crew brings us up to speed on the film's intricate screenplay. Set at the end of the 21st Century, *Horizon* unfolds as a civilization of extraterrestrial origin has invaded Earth. Of the planet's nine billion inhabitants, approximately one third has been killed and nearly two billion more have been evacuated to a military base dug into the core of Mercury. Of the humans who remain on Earth, none are expected to survive the next 48 hours.

Taking a last stand against the alien invasion, one Marine battalion remains on the surface. But they are in retreat, desperately attempting to reach the safety of the space cruiser Horizon, when events occur which place the future of the Earth and all of its remaining inhabitants in peril.

In addition to three of the Wicked Girls, the universe depicted in *Horizon* features some of adult's brightest stars, including AVN Best Actress winner **Kimberly Kane**, **Misty Stone**, **Bobbi Starr**, **Rocco Reed**, **Andy San Dimas**, **Bill Bailey**, **Aiden Starr**, **Tony Desergio**, **Danny Mountain**, and **Xander Corvus**.

In conversation, director Hain seems thrilled with the cast he's assembled, and he looks forward to the challenge of photographing them with some truly cutting-edge technology, most notably the new **Red Epic camera system**.

"We'll be shooting the entire movie with the Red Epic, the same camera being used on Ridley Scott's *Prometheus* and Peter Jackson's *The Hobbit*," he reveals as his crew busily arranges lights and cameras in anticipation of filming the show's first sex scene. "But because of the lengthy post-production schedules of those films, we expect *Horizon* will be one of the first movies of this kind, in either mainstream or adult, to be released."

With that, the youthful, twenty-something director heads off to helm the movie's first commercial scene.

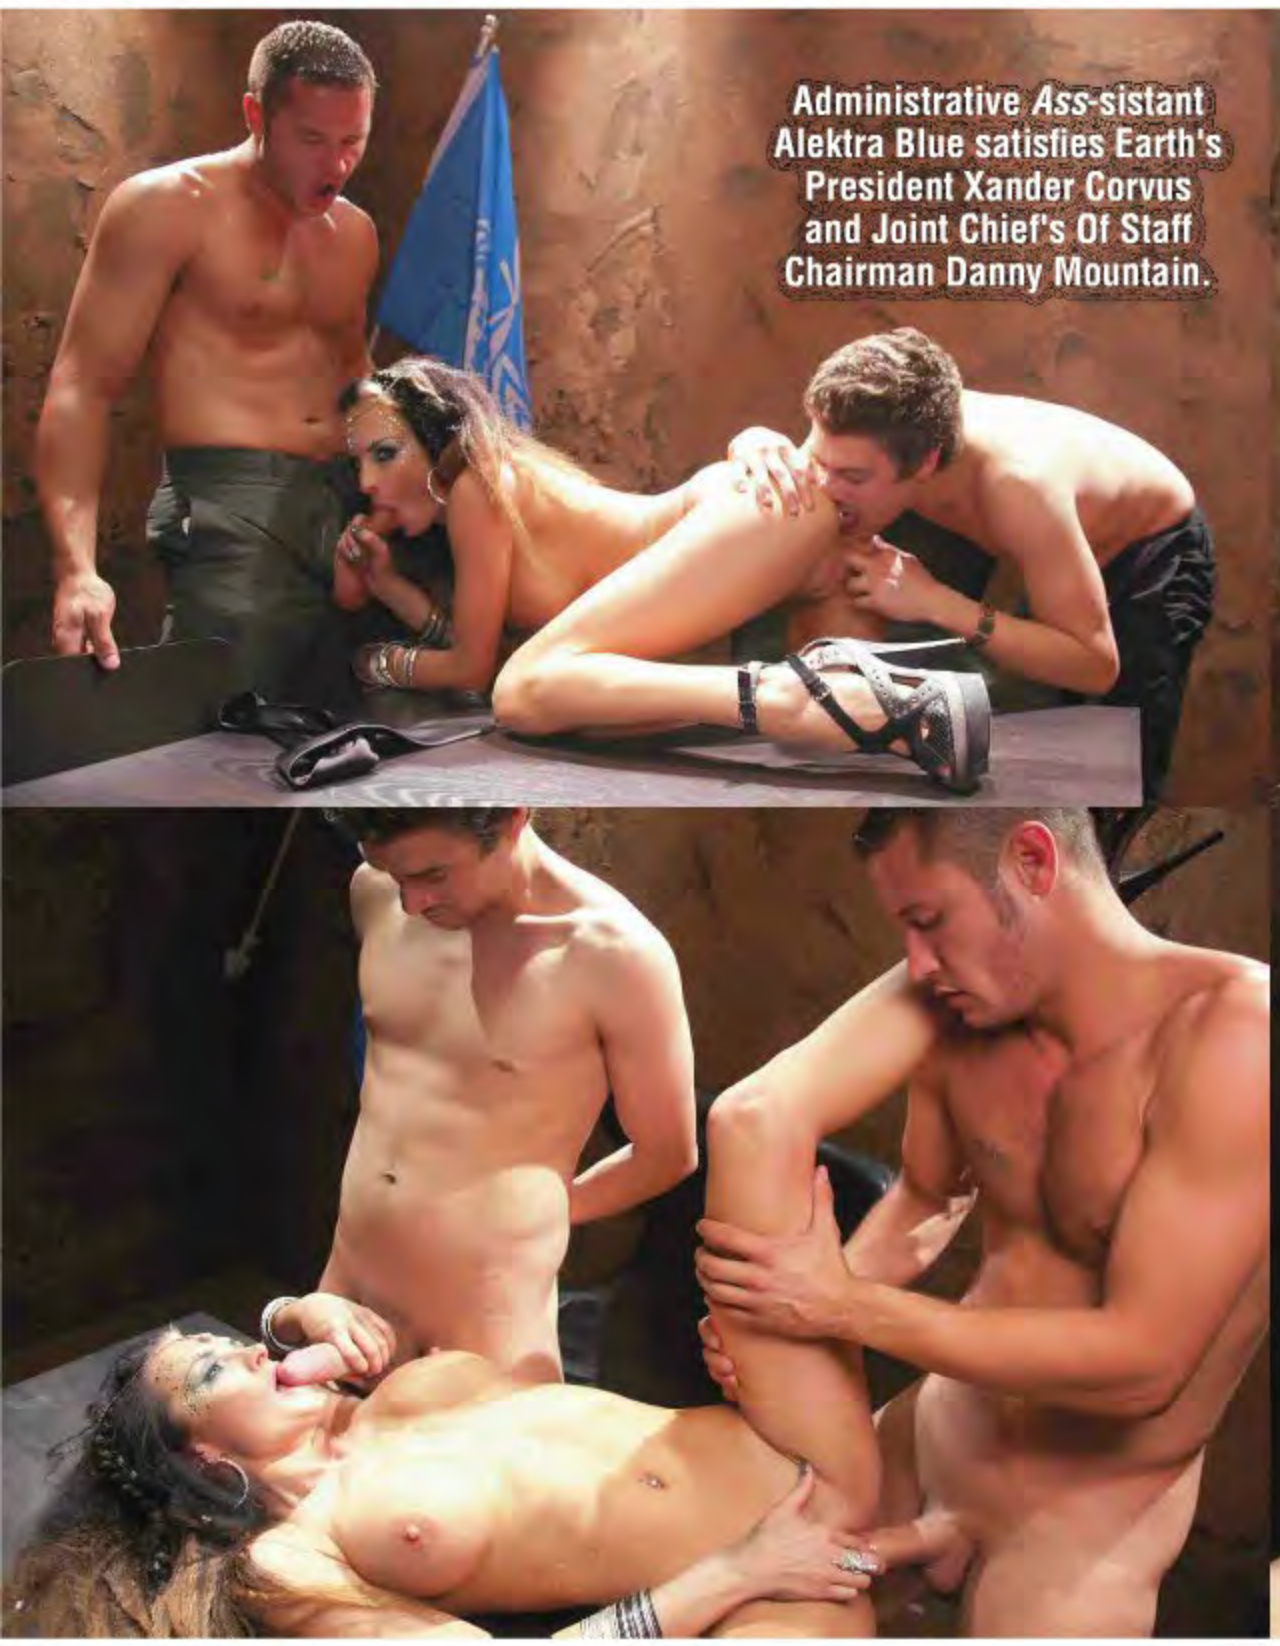
As the sexy action unfolds, we meet

"In space, no one can hear your orgasm!"

tough space marines Misty Stone and Bill Bailey, two hard-fighting warriors who steal away to Misty's cabin for some romantic, couples-oriented screwing. The action begins with a protracted display of sweet oral action, with Bailey feasting on Stone's succulent snatch. She returns the favor with a deep-swallowing blowjob, stopping only to ride his cock to a shuddering orgasm.

The next day's filming finds us in a futuristic administrative office where sultry Wicked Girl Alektra Blue is in the midst of sexually pleasuring Earth's President, Xander Corvus, and his Joint Chiefs of Staff Chairman, Danny Mountain. Alektra looks amazing—she's made up beautifully, sporting stylish hair extensions and a tight-fitting blue dress that accentuates her curves to perfect effect. As the action begins, Ms. Blue blows both the lucky politicians before letting them fuck her pussy in tandem. The three-way action is vigorous and passionate, with the heat building relentlessly until both studs launch loads across her heaving breasts.

At this point Wicked Girls jessica drake and Kaylani Lei burst



Administrative *Ass*-sistant Alektra Blue satisfies Earth's President Xander Corvus and Joint Chief's Of Staff Chairman Danny Mountain.

Earth Girls Are Easy: **Angelic alien Aiden Starr knows a thing or two about the old 69, as horny human Kimberly Kane soaks up some extraterrestrial whisker bisque.**

onto the scene, it seems Xander has ordered Ms. drake to end the alien invasion by eradicating *all* life on Earth with a nuclear doomsday device. Shocked, jessica reluctantly agrees to the mission, but she also vows vengeance against Corvus and his corrupt administration.

After the high drama of this scene, we're treated to an intense encounter featuring young lovers Kimberly Kane and Tony DeSergio. They're also leery of Corvus' genocidal mission plans, but decide to make love before heading off to their potential doom. It's a warm and passionate couples' romp distinguished by some spectacular shots of Kane's sweet pussy and a stellar pop that explodes across her tits at scene's end. With this scorching scene in the can, production is wrapped for the day.

As we arrive at the next shooting day's location we meet Bobbi Starr and Andy San Dimas, the two sleek, AVN award-winning superstars perfectly cast by the director to portray the scientists in charge of the doomsday device. During their scenes together, we learn that the marines' spaceship has crashed on Earth. In an interesting twist, we *also* discover that Bobbi's character is Kaylani's lover.

As the next sequence unfolds, Starr steals off to spend some quality time with Ms. Lei. In the flickering light of Kaylani's cabin, the ladies indulge in some wet French kissing as they help each other undress. As the sex begins, Bobbi fingers Kaylani's sweet slit before riding her face to a screaming orgasm.

As cameras roll for the following commercial scene, we learn that the crash has also set the stage for a passionate encounter between jessica drake and Rocco Reed. These acclaimed professionals exhibit major chemistry together, kissing deeply as they help each other out of their military attire. An amazing shot of Rocco eating jessica's pussy leads to a spectacular blowjob and fuck session. Vigorous and intense, the scene is capped off with a picture-perfect money shot in which Rocco unloads across her face and breasts!

Based upon the volcanic sex scenes and cutting edge technology we've seen on display, it becomes obvious that Hain has created something truly unique to both the adult and science fiction genres.

Horizon's final day of shooting brings us to the production's most elaborate set: a cavernous abode of ghostly white light that's supposed to represent the ethereal home of the invading aliens. We learn that Kimberly Kane (whose fighter craft

crashed on Earth earlier) has been kidnapped by them.

Finding herself bathed in white light, Ms. Kane asks that the otherworldly beings reveal themselves. In response to her request, ghostly Aiden Starr appears, a pale, angelic vision swathed in white robes. She reveals not only the invader's true origins, but, in one of the more intriguing twists we've seen in *any* science fiction film, she discloses the alien's *real* motivation for attacking Earth.

This shocking revelation leads slowly and inexorably to a spectacular sapphic seduction in which Aiden hovers lewdly over Kimberly's pussy lips, sucking on them gently as she digs deep into her dripping snatch. These two go down slow for some spectacular 69 action, wrapping their legs and arms tightly around each other as their fingers and tongues go to work. The scene concludes with Aiden taking Ms. Kane from behind; Kimberly crouches down doggie-style as Aiden furiously works her pussy to a molten orgasm. As Hain shouts "cut," the crew explodes with applause.

With that other-worldly sequence successfully in the can, the sexual odyssey that is *Horizon* comes to completion. Based upon the volcanic sex scenes and cutting edge technology we've seen on display, it becomes obvious that Hain has created something truly unique to both the adult *and* science fiction genres. A tall order to be sure, but one the young director feels he has achieved nonetheless.

"I believe that, as a team, we've created the first true crossover film," he observes, a gentle, satisfied smile breaking over his face. "I feel we've created something so dynamic and realistic that, should you remove the hardcore scenes, it would still hold its own against anything the mainstream has to offer."

***Close Encounters of the Vaginal Kind*: jessica drake, the e.e. cummings of smut, sets her cum dial to orgasm as Rocco Reed prepares for a frontal facial assault.**

***Horizon* is now available in a special DVD/Blu-ray Digital Combo Pack with limited-edition foil packaging exclusively from Wicked Pictures.**

The economy is lousy. A good job is harder to find than a platypus that shits sterling silver. Like so many young people trying to compete in today's fiercely competitive job market, **Kristine Crystalis'** resume is pretty much a huge blank. But it's not as though the sperm-splattered, dick-breathed ass-whore lacks talent—Kristine can make her asshole whistle pop tunes after it gets bombed-out by an intense anal buggering. Her eyes roll back in her head as both of her holes are stuffed by two colossal rock-hard cocks. It's hardly a resume builder, but you've got to start somewhere. And don't worry, Kristine: everybody starts off at the bottom. You just have a head start.

BREE OLSON

THE HIGH SOCIETY INTERVIEW

BREE OLSON WAS ALREADY A LEGITIMATE, BANKABLE PORN STAR IN FEBRUARY OF 2011, WHEN SHE WAS INSTANTLY AND ASTONISHINGLY CATAPULTED TO WORD-CLASS MAINSTREAM STATUS AS ONE OF CHARLIE SHEEN'S "GODDESSES." AT THE HEIGHT OF CHARLIE'S RANTING AND RAVING, BREE WAS RIGHT THERE, ALONGSIDE HER MAN. WHILE SHEEN WAS DENOUNCING HIS FORMER EMPLOYER, CBS, AND PREACHING TO THE WORLD ABOUT THE WONDERS OF "TIGER BLOOD" AND "WINNING," BREE WAS TAKING AN UNDESERVED BEATING BY COLUMNISTS, TALKING HEADS, AND MEDIA PUNDITS ALIKE, AS "THE OTHER WOMAN," A NO-GOOD, SCUM-OF-THE-EARTH PORN STAR, UNFIT TO CARE FOR CHARLIE'S TWIN SONS.

IT CERTAINLY MATTERED LITTLE THAT OLSON DIDN'T FIT THE BILL: A COLLEGE-EDUCATED, CONSERVATIVE WHO DOESN'T DO DRUGS AND LIVES AS FAR AWAY FROM THE HOLLYWOOD FAST LANE AS ONE CAN GET, CHOOSING INSTEAD TO HUNKER DOWN IN HER HOMETOWN OF FORT WAYNE, INDIANA. IT ALSO DIDN'T MATTER THAT OLSON IS AS RELIABLE AS RAIN AND LOVES CHILDREN. TRUE TO HER HONEST ROOTS, WHEN *HIGH SOCIETY* REACHED OUT TO HER AND SHE AGREED TO GO ON THE RECORD WITH US, NOTHING WAS "OFF LIMITS."

THE MULTI-AWARD WINNING XXX PERFORMER AND FORMER ADAM & EVE CONTRACT GIRL HAS BIG PLANS FOR 2012. BREE WILL BEGIN THE YEAR CO-HOSTING THE AVN AWARDS SHOW IN LAS VEGAS AND THEN MAKE THE FIRST OF SEVERAL APPEARANCES IN MAINSTREAM HOLLYWOOD MOVIES. IN BETWEEN, SHE'LL ALSO FIND TIME TO GIVE HER PORN FANS WHAT THEY WANT: MORE EXPLICIT BREE OLSON!

HIGH SOCIETY: *Can you tell us in your own words how you would describe the past year of your life, the good and the bad?*

BREE OLSON: The experiences I have encountered this past year have been nothing but life-learning and eventful. There is a whole other side of life that exists that I did not even know about. I learned a lot about myself in this process and any changes I have made have been for the better, so I would say there isn't anything "bad" that happened this past year. If anything, [the Charlie Sheen Scandal] changed my life in a dramatically wonderful way.

HS: *What were your darkest periods and what lessons did you learn from them?*

BO: There were no dark periods. We all have moments when we question our lives and the choices we are making. I made the best out of my choices and lead a very satisfying and fulfilling life.

HS: *Was 2011 a turning point in your life and career?*

BO: It most definitely was. By being thrust into the mainstream world, I realized how obtainable it is for me to transfer from adult into mainstream. I've always had acting talent—I just never gave myself the credit for it.

HS: *What would you do differently if you could go back and change some stuff?*

BO: I wouldn't change a thing. I am so blessed to be where I am right now in my life. I am surrounded by the most wonderful people and that is where my riches will always lie.

HS: *How excited were you when you heard that you'll be co-hosting the AVN Awards in Las Vegas? Was the invite unexpected?*

BO: Like, totally dude! [Laughs] Yes, it was unexpected and I find it to be quite an honor. Although I don't have much involvement with the adult industry these days, I will forever be grateful for it, and my time spent in the movies. The industry was a very positive experience for me and AVN is an amazing company. I am humbled

to have been chosen to co-host the Awards ceremony.

HS: *Why is it a big deal for you, hosting the AVN Awards?*

"I didn't mind being referred to as a "Goddess." Charlie said it jokingly in an interview once and the media just ran with it. I would have preferred to be referred to by my name because I am an individual, but that's okay."

BO: Well, all of the things I listed above, plus I feel it's the one time where the women in the industry really get their moment to shine and feel appreciated for all of their hard work. I am honored to be a part of that.

HS: *Have you officially retired from porn to concentrate on a mainstream career?*

BO: Nothing is official. Check out *BreeOlson.com* for yourself. [Laughs]

HS: *The media has given the public their side, their perspective on Charlie Sheen. Who was the Charlie Sheen you know?*

BO: He's an honest, intelligent, witty, sensitive, hilarious, loving guy who just wants what everyone else in this world wants—to be happy.

HS: *How did you two meet? Were there any sparks the first time you met?*

BO: A friend of mine asked me to go to his house with her. She ended up leaving early due to our [Charlie & I] conversation. She later told me she felt like we completely shut her out because our chemistry was so strong. That night we just chatted and learned a lot from one another, it wasn't until months later that we slept with each other. I think that is one of the reasons our relationship was able to grow so strongly.

HS: *Are you still in touch with Charlie? What do you miss most about him?*

BO: Yes, we are still "in touch" and I don't miss anything because we are still "in touch," so there's nothing to miss.

HS: *What was the most outrageous thing you heard about your relationship with Charlie Sheen?*

BO: That I was not suitable to care for his

two sons. Just because I do on camera what everyone else does in their bedroom, that doesn't make me unsuitable to care for toddlers. It is quite the contrary; I am a very responsible, gentle, caring, and nurturing woman.

HS: *How do you view the media's treatment of you as one of Charlie's Angels?*
BO: I didn't mind being referred to as a "Goddess." Charlie said it jokingly in an interview once and the media just ran with it. I would have preferred to be referred to by my name because I am an individual, but that's okay. There was only one girl on the cover of *PLAYBOY* August 2011 and that was me, so I think I've obtained my individuality in the public eye!

HS: *What were some of Charlie's best and worst qualities?*
BO: I already described a lot of his good qualities. As far as bad qualities, he should stop smoking cigarettes, but hey, so should I, so who am I to judge?

HS: *Do you feel he [Charlie] has people around him that have his best interest at heart?*
BO: Yes, not all of them, but a close few that are there when he needs them.

HS: *As a lover, was Charlie great? Did he fully satisfy you, and is he a fan of porn?*

"Charlie's an honest, intelligent, witty, sensitive, hilarious, loving guy who just wants what everyone else in this world want —to be happy."

until I met him.

HS: *Do you feel Charlie did have a breakdown of sorts and needs some form of professional help?*
BO: No, he is perfectly healthy and stable, to say the least.

HS: *Did you witness him doing drugs? Do you worry about Charlie and do you still care for him?*
BO: I have never seen him do drugs or even consume alcohol. Of course, I still care for him; remember we are still "in touch." [Laughs]

HS: *What would you like to say to Charlie if he is reading this interview?*
BO: Charlie, stop looking at the naked chicks in the magazine and read my interview! [Laughs] I don't know what I'd say, I can just text him!

HS: *What's your opinion of the media as to how they covered the story, with regard to the whole Charlie Sheen episode? Do you feel they were fair for the most part?*
BO: The media does their job, which is to get consumers to look at their product. They go to great lengths to capture the attention of as many people as possible. Everyone has a job. I just wonder how some of them sleep at night.

HS: *When did you realize your calling to become a porn star?*
BO: It's never been a calling. I was a curious, 19-year-old pre-med student in my sophomore year at Purdue University that loved sex and porn and thought I'd try it for the experience. I didn't expect it to be so professional and lucrative, as well. Demand for my services grew, so why turn down getting paid for something I love.

HS: *What's the best thing about being a porn star?*
BO: The fans. I love them. I love interacting with them on my website, as well as on Twitter and also when they write me. I respond to every single piece of fan mail I receive. I find all of my fans very intriguing and have even been planning a trip to go on a tour and visit my favorite ones.

HS: *What's the worst thing about being a porn star?*
BO: I wasn't thinking at 19 that I was going to become such a huge name. My future children will know of it. I will be unable to hide it, so I will have to tell them. That will be the worst consequence I have. In my personal life, I lead a fairly conservative lifestyle so for anyone that knows me, knows this gravely concerns me.

HS: *Where would you rate yourself on a scale of 1 to 10?*
BO: As hard as it is to be a woman and not pick myself apart, I just won't let myself do it. As tempting as it has been at times to follow in the footsteps of some of my ex-colleagues and go under the knife, I had to assure myself

HS: *Have you been with any other celebrities? If you could pick a male and female celebrity to have sex with, whom would you choose?*
BO: No, I have never had sexual relations with any other celebrity. I don't know which celebrities I'd choose to have sex with. I didn't even know who Charlie Sheen was
BO: [Laughs] He is a great lover, and, yes, I was always satisfied. Charlie and I never discussed porn, nor did I see him watch any.

"I wasn't thinking at 19 that I was going to become such a huge name. My future children will know of it [Bree's success as a porn star]. I will be unable to hide it, so I will have to tell them. That will be the worst consequence I have."

beauty on the outside doesn't sink into our hearts and minds. I am a beautiful being. I am also a vegan, so my body is pure and cleansed of the murdering and suffering of animals. I feel completely at piece with myself. There is no grading scale to anyone's outward appearance to me.

HS: *Are you a very dominant or submissive person?*
BO: In a relationship with a man I am very submissive, by nature. However, being a businesswoman for so long now, I have learned that there is a time and a place I must be dominant and assertive.

HS: *Why did you decide to leave Adam & Eve and go back to being a gonzo performer? What was your experience like with Adam & Eve?*
BO: I left them because I wanted to work for several other companies and basically do whatever I wanted. I would compare it to a husband that just got divorced and went and fucked every hot chick he could land. [Laughs] Working with Adam & Eve was nice. The experiences with the company have only helped me develop into the person I am today, which I am very proud of.

HS: *Were you the first or last of your friends to lose her virginity?*
HS: We were all self-proclaimed little sluts that lied to each other about sex (just as boys do), so I actually do not know who, truthfully, lost theirs first.

HS: *Ever do a gangbang on film or in person?*
BO: I guess some of the stuff I've done would be considered a gangbang, especially on my website. I've never done it in my personal life and I prefer sex one-on-one so I can give my undivided attention to the man whom I am pleasing.

HS: *Do you masturbate often?*
BO: At least once a day. It's a very time-consuming addiction, you know. I keep Duracell in business.

HS: *What's one sex toy you can't live without?*
BO: My vibrator! Although its life expectancy doesn't last long with me as its owner, I always have to have my backup on hand.

HS: *Who or what do you think about when you masturbate?*
BO: Very taboo things, which seem to be OK to disclose in every other country, except the prude-ass United States, so I'll leave it to the readers' imaginations. However, if they are on my site or Twitter, I leave hints and clues all the time.

HS: *What sexual fantasies have come true for you since you started working in porn?*
BO: I always wanted two guys at one time and I got it! I love that very much. It feels very degrading, sexually, which I love.

HS: *Describe the hottest scene you've ever been involved in.*
BO: Honestly, I've done so many, they all blend together. I don't even recognize most of the people I've had sex with in the industry. They come up and talk to me and I try to get away with pretending like I know who

they are, but sometimes they can sense my wonderment. They call me out on having slept with them and not even knowing who they are. Oops! Nothing personal, guys (and girls), it's just work to me. I love it in the moment, but after I cum you are quickly forgotten about and then I go home and have sex with my boyfriend.

HS: *Have you had a one-night stand?*
BO: I'm Bree Olson. I have had 30 one-night stands in one night.

HS: *Where's the hottest place you ever had sex?*
BO: This is going to sound weird, but hotels. I love grungy ones. Not even hotels, more like those off-the-grid, little creepy motels. It's the perfect vibe for raunchy action.

HS: *What kind of girl attracts you? Have you ever had a relationship with a girl?*
BO: I was in a four-year relationship with a woman. I will never date a woman again because of it. It was 3½ years of hell trying to reclaim what we had in the first six months. It's already hard enough with one woman in a relationship—imagine two! I love natural-looking petite women with brown hair and freckles with small "cupcake" breasts.

HS: *Which of your movies are you most proud of?*
BO: I loved shooting the *Submission of O*, which is an Adam & Eve production. It really helped me to develop my submissive nature. Also, anything I shoot for my website, I am in complete control of what I shoot and with whom I shoot it, the storylines, and set-ups. I shoot things on
that really turn me on.

HS: *What's one superpower you wish you could have?*
BO: Telepathy, although I'm sure I'd regret having it within a day.

HS: *What does the future hold for you?*
BO: Well, I'm no fortune-teller, but I can tell you it will involve a husband and children. I know I will be happy and content, as long as I have a family. Let the rest follow.

HS: *Anything you'd like to say in closing to the* HIGH SOCIETY *readers?*
BO: It's people like you that make the career I've been able to have possible, and I will forever be grateful for that. I also urge you to read the book Skinny Bastard. It is a fun easy read that will change your life, and I wanted to share that information with you all, as a thank you.

THE EYES ARE THE WINDOW TO THE SOUL, BUT THE GREASY GINCH BETWEEN A GAL'S THIGHS DECIDES WHAT KIND OF LIGHT IS REALLY LET IN.
–Punjab Punani 69 A.D.

Pussy is one of Mother Nature's most beautiful and brilliantly complex inventions. The average fuck-bucket is both sublime and exquisite, like a picturesque sunset, but what's serene at a distance often can be a bizarre and perplexing world up close.

Sunsets are stunning mélanges of mystical pastels from the comfort of earth's distance, but up close the sun is actually a horribly violent ball of deadly gas, billions of degrees in temperature. At its temperamental best, the sun is given to regular eruptions of coronal mass and kill-shot solar flares that can destroy every living thing in its path. Yet life wouldn't exist without it and its warmth. The same goes for women and the soft pink sets of pinball flippers between their legs. Pussy can be a freak show up close, and it's often given to similar cyclical (monthly) tantrums that wreak havoc on anyone and anything in its path, but basking in a beautiful woman's glow post-orgasm is like sitting in the warm sunshine. Both require protection or you're liable to get burned!

More than almost anything, women want to be loved—and understood. They want to be listened to and they want to be heard, and if you don't understand the difference between the two, you obviously don't understand them, and therefore, you're incapable of loving them. A woman wants respect, yet she also wants you to call her your "cum-sucking little slut." She wants you to spew thick, nasty ropes of loin-lard all over her tits, ass, and face, but at the same time she *demands* recognition. Sometimes respect means a cup of hot chocolate in bed and sometimes it means a rigid Swizzle Stick in her hot chocolate butt tunnel.

While women remain impossible to figure out, their vaginas are more of a known quantity. That's because the twat can be classified and the information culled from it can be used to better understand what's happening inside a woman's head, much like the study of sunspots can predict what's going on deep within the center of the sun.

Inspired by the great naturalist, James Audubon, and a childhood subscription to *National Geographic*, I set out at age 18 to study and document every genus and species of vagina in the entire North American commonwealth. I took my inspiration from the self-taught ornithologist's attempt to document all the birds of North America. Audubon identified 25 new species and a number of new subspecies. I identified 21—vaginas, that is!

I've spent my lifetime investigating vaginas and attempting to see as much up-close pussy as possible. Armed only with a sketchbook and a pencil, I've been able to document dozens of ginch subspecies based on both morphological and behavioral similarities. When successful at gaining vaginal access, I take comprehensive notes and make sketches of the elusive crotch beaver in its natural environs and then try my damndest to fuck them, in a purely scientific attempt to better understand them: The key being to gather as much scientific information as possible.

This is certainly not a comprehensive or otherwise exhaustive list of every vagina sub-type out there. My field of study has been limited to North America and I've selected some of the more extravagant and "rare" types of skunkpot for this list in an effort to introduce the science of "vaginology" to the public at large.

Modern *vaginology* is an admixture of the hard science of *palmistry* mingled with a touch of *cryptozoology*, a bit of human madness, and the Victorian pseudoscience of *phrenology*. The discipline has proven to be an accurate indicator of a woman's personality and a valuable prognostication tool that can reveal what lies ahead for her. This knowledge is based on the folds, creases, scent, and overall feel of her cooze.

Vaginas are like flowers that spend their entire lifetime in bloom. From the eccentric tulip with its deep center, delicate scent, and sturdy petals to the infamous corpse flower, with its colossal irregular bloom and revolting stench of rotting flesh, every vagina has its own personality. Like snowflakes, pussy melts on the tongue, and no two taste exactly the same. Given a quick peek at any given quim, the discerning vaginologist can immediately discover facts: from a woman's sexual habits to her personality, even her hopes and dreams.

So wash your hands, don a pair of surgical gloves, and quickly locate a flashlight. It's time to go to work. Whether using a classic textbook like HIGH SOCIETY or an actual standard-issue vagina, it's time to peel back the folds and expose just what makes a vagina stink.

The pity for the Pussy Claw is matched only by the pity for its likeable twin, the asshole, which protrudes so much that it could be fitted for hiking boots.

BATWING: *Cunticus chiroptera*

Like the high-flying rat that shares its name, the Batwing pussy prefers to come out at night, or at least to fuck with the lights off. Its relatively loose labia minora *are spread slightly open, resembling a pair of pink to purplish, bruise-colored bat wings in the glide position. Fucking Batwing is like fucking O.J.'s bloody glove, it's leathery and never seems to fit. This can be a source of self-consciousness for the owner of said twat. The pussy looks like it's permanently being spread open, and the woman will often blame herself for* "slutting it up," *much the way children are told that if they cross their eyes they will stay that way permanently. Thinking she had something to do with the creation of her cunt's sorry state, many Batwing beavers feel guilt where there is no reason to, making them generally easy to sway in other parts of life. She'll often go along with the crowd, as a Batwing doesn't like to make waves, lest she and her panty rodent be discovered and shunned, or worse, have pest control called on them. The Batwing can have vampiric qualities as well, whether she's a psychic vampire who drains everybody around her of energy or simply one who drains your checking account. Any standard STD test given to a Batwing, or anyone banging a Batwing, should include a rabies panel.*

ROASTBEEFY: *Carnum malum*

She's got a lot of pussy, usually enough for leftovers. This cunt should come with curly fries and a Coke. She's a human Arby's. There's only one damn thing on the menu below the waist, and it's a roast beef sandwich, with dark-tinged vaginal lips protruding every which way like stacks of luncheon meat. There are many complex folds in this type of snatch, and it's typically not the cleanest of pussies. There's a lot of room for smegma, yesterday's cum, or even, depending upon how much she drinks, a gum wrapper or two. Many Roastbeefy's also hide a permanent 20-30 lbs. of emotional safety weight in the tummy, creating a genuine disfiguring force when pushing downward. Women of this vagina-type don't mind working for a living. They'll take on any challenge, whether it's driving a school bus or holding a flag at a construction site. They tend to smoke cigarettes and drink more

than average. They enjoy team sports and are loyal to their local home teams. They make similarly loyal wives. They are family-oriented and often are the last to know when their husband is cheating on them. Husbands of Roastbeefy's need a break every now and then. How would you like to be served roast beef every night for the rest of your life? It's a cruel inhuman sentence not many of us can bear. Caution: Because of its multifarious folds and cavernous corners, this pussy retains detritus *(organic material) rather easily and is thus one of the easiest vaginas to impregnate. Owners or renters of a Roastbeefy will sometimes keep a jar of mayonnaise on their nightstand.*

BEAVER TOOTH: *Fuckus dens*

Like a Princess Cut Gemstone cemented into a crotch, the Beaver Tooth is a gift to its owner. With no open folds or lunchmeat to speak of, a Beaver Tooth is a nice, clean 40-carat cunt. She can be an excellent student, a good creative worker, and will see greater than average success in life. She likes to stay fit and exercises daily. Though she's by no means a genius, she's smart enough and uses all of her charms to their highest degree to get what she wants—and to get where she wants to go in life. She's competent in many different fields. While she's rarely the prettiest girl in the room, she tends to be more attractive than average and has that unknown quality that draws some men to her like a tractor beam. A Beaver Tooth is good at putting people at ease and is a great people person. She enjoys going to movies and once broken in, swallowing steamy jizz. She doesn't think outside the box, so you'll have to be in charge of coming up with the kink, but once she knows her role, she'll please you above and beyond your expectations.

CARROT CAKE: *Tufticus carota*

This long, thick gash is often wet and glistening, and usually adorned with a tiny square tuft of hair on the very top. This woman thinks she's hotter than she is, and often wears yoga pants a good five to 10 years after she has any business doing so. She may be the hottest girl in her peer group, but that's not saying much. She hangs out with other vegetable-shaped vaginas (potato pussies, corn cunts, broccoli bushes) making her clique something like a vaginal V8 juice. She's sarcastic and destined to be miserable. If she doesn't marry young, she will have a progressively harder than average time tricking somebody into making a lifetime commitment. The slim Carrot Cake cunt can be a stinky hot mess of satisfactory tight fucking, but this pussy should come with an expiration date. It's best when used by its late teens or early 20s, because after college a Carrot Cake begins a lifelong weight gain that simply goes out of control once she's had her first kid. By the time she's in her mid-thirties, she weighs 200 lbs. and her ass no longer fits in a single chair. Her pussy goes from Carrot Cake to Pumpkin Patch, but instead of water, this broad wishes it would rain Malomars.

BABY TRAIN WRECK: *Gero equss*

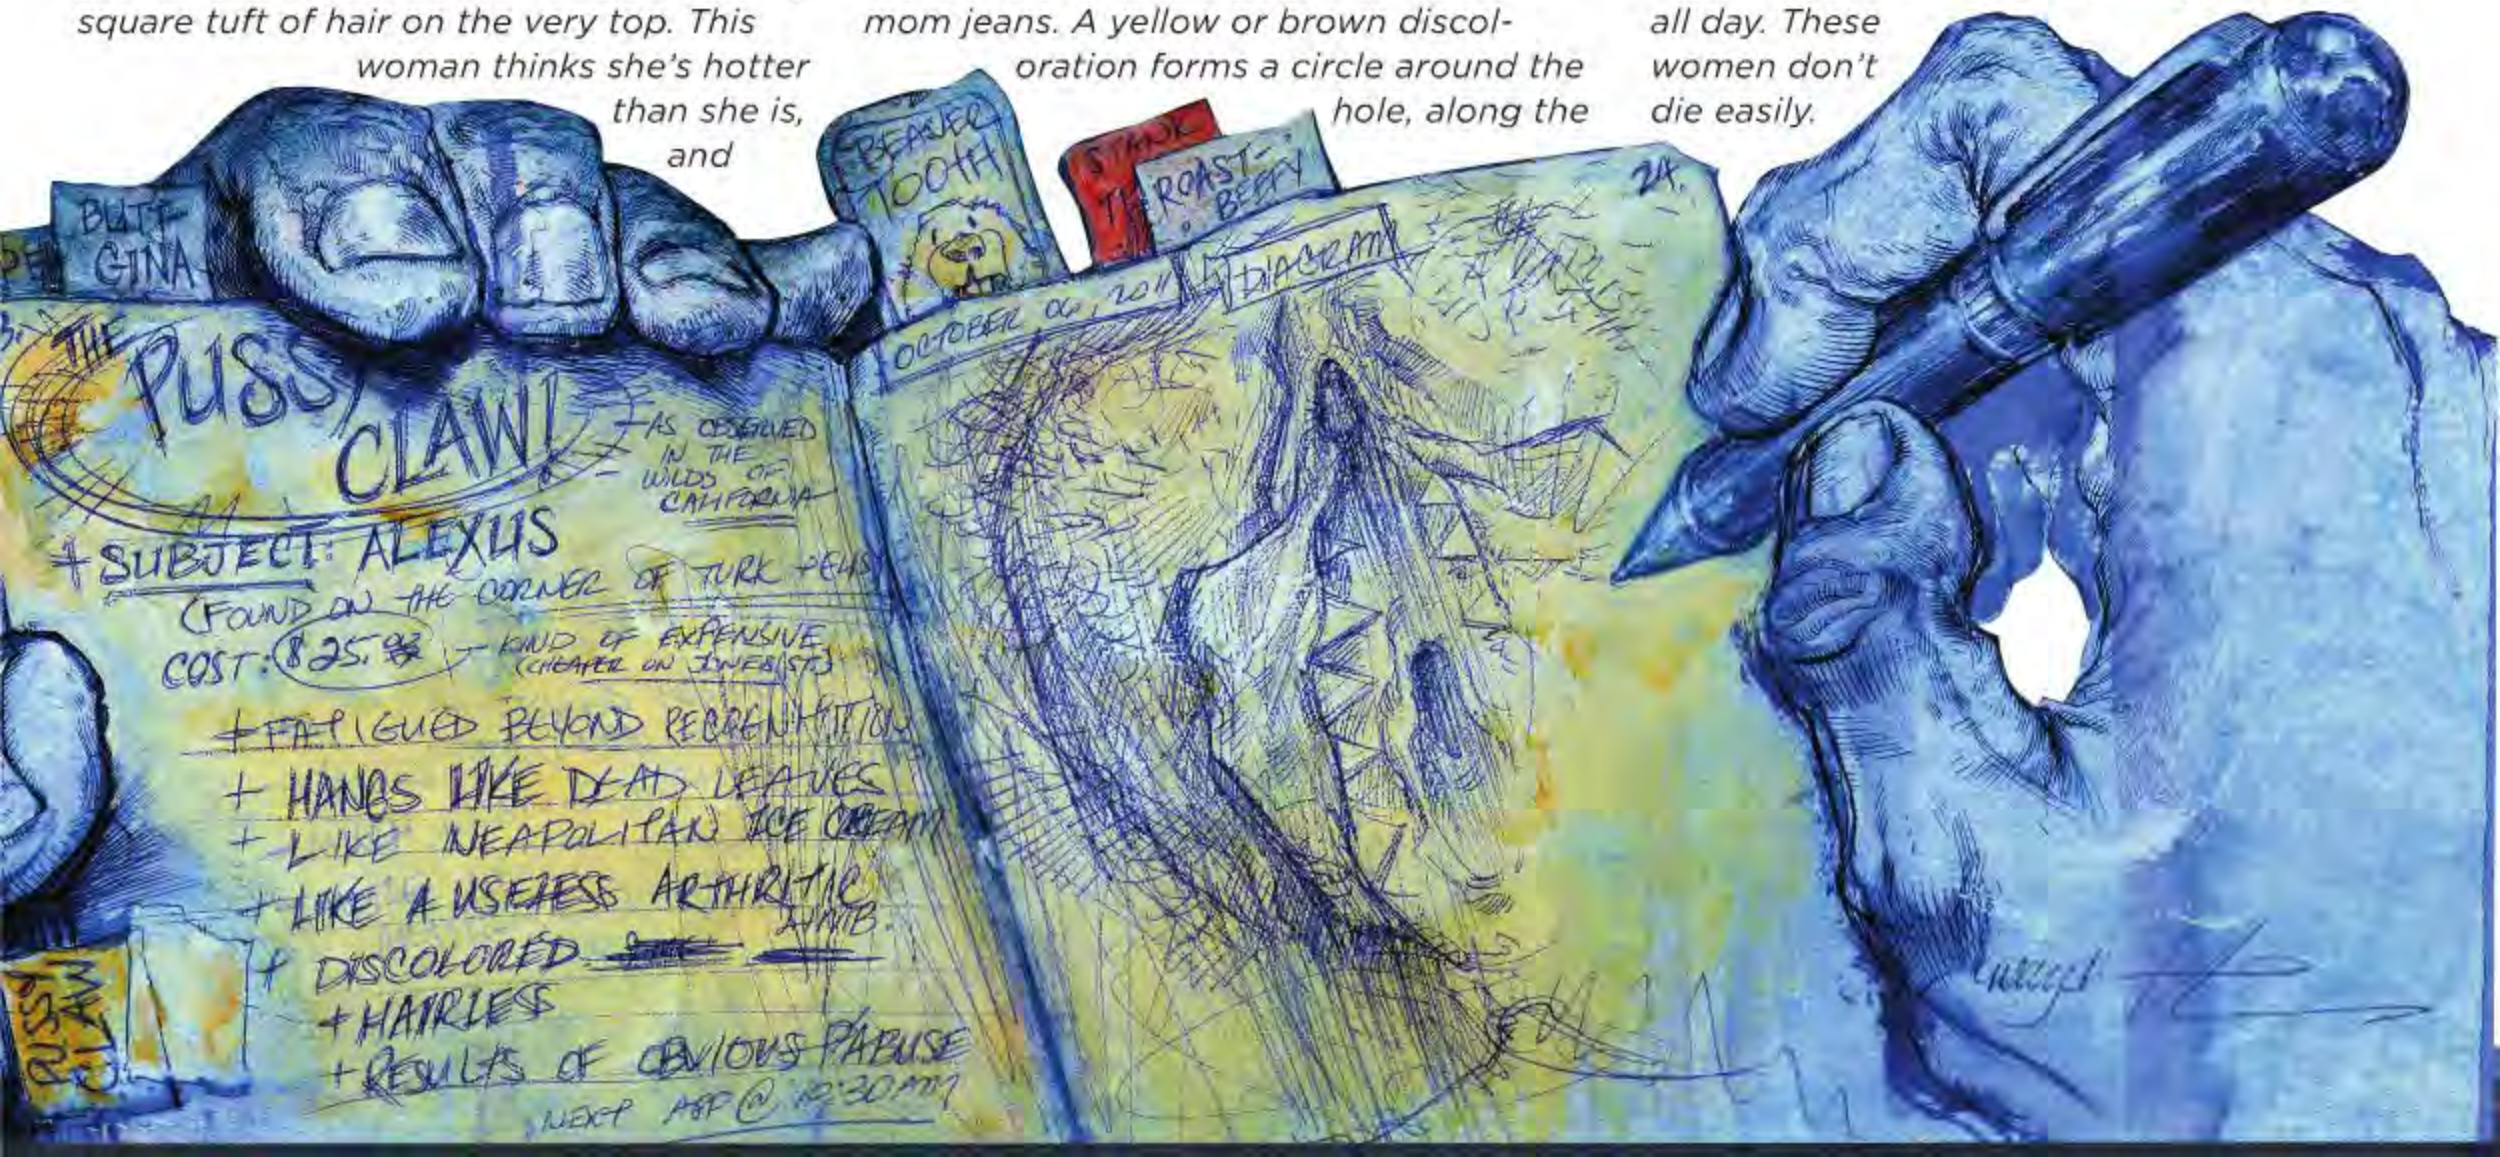
This vagina has seen better days. Did it give birth to an infant or an elephant? The baby obviously either blew a membrane and jumped the track on its way out or actually had a beef with the woman's womb and wanted to fuck things up, like a rock star mutilating a hotel room. There are usually lots of bizarre scars below the waist and painful stories of parts being removed. The Baby Train Wreck is often accompanied by a drooping clitoral hoodie, which she sometimes wears with gangsta flair. This chick is likely to have a lot of male friends who she fucks at one time or another, depending on how drunk she is and who bought the cigarettes and box of wine that night. Not a bad mom, considering.

TRUCK HITCH: *Onero plaustrum*

The Gold standard pussy for a pair of mom jeans. A yellow or brown discoloration forms a circle around the hole, along the inner thighs, and taint. It looks like an Oil Shale drilling site from above. The Truck Hitch is a compound hitching device that secures the penis into the vagina at just the right angle to give her a mechanical advantage that will both make her cum, as well as knock her up. The Truck Hitch is a crafty veteran, often shorter than average in size and many times is accompanied with long curly hair. The Truck Hitch is usually not adverse to admitting a load in her ass or mouth, so long as the equipment is good. She's a manly woman, but only in the best of ways. She'll help you out when you're sick, though she'll rarely get sick herself. When post-child, she's a Super Mommy and knows her way around the supermarket and how to find the really good coupons.

PUSSY CLAW: *Pussicus iaceo*

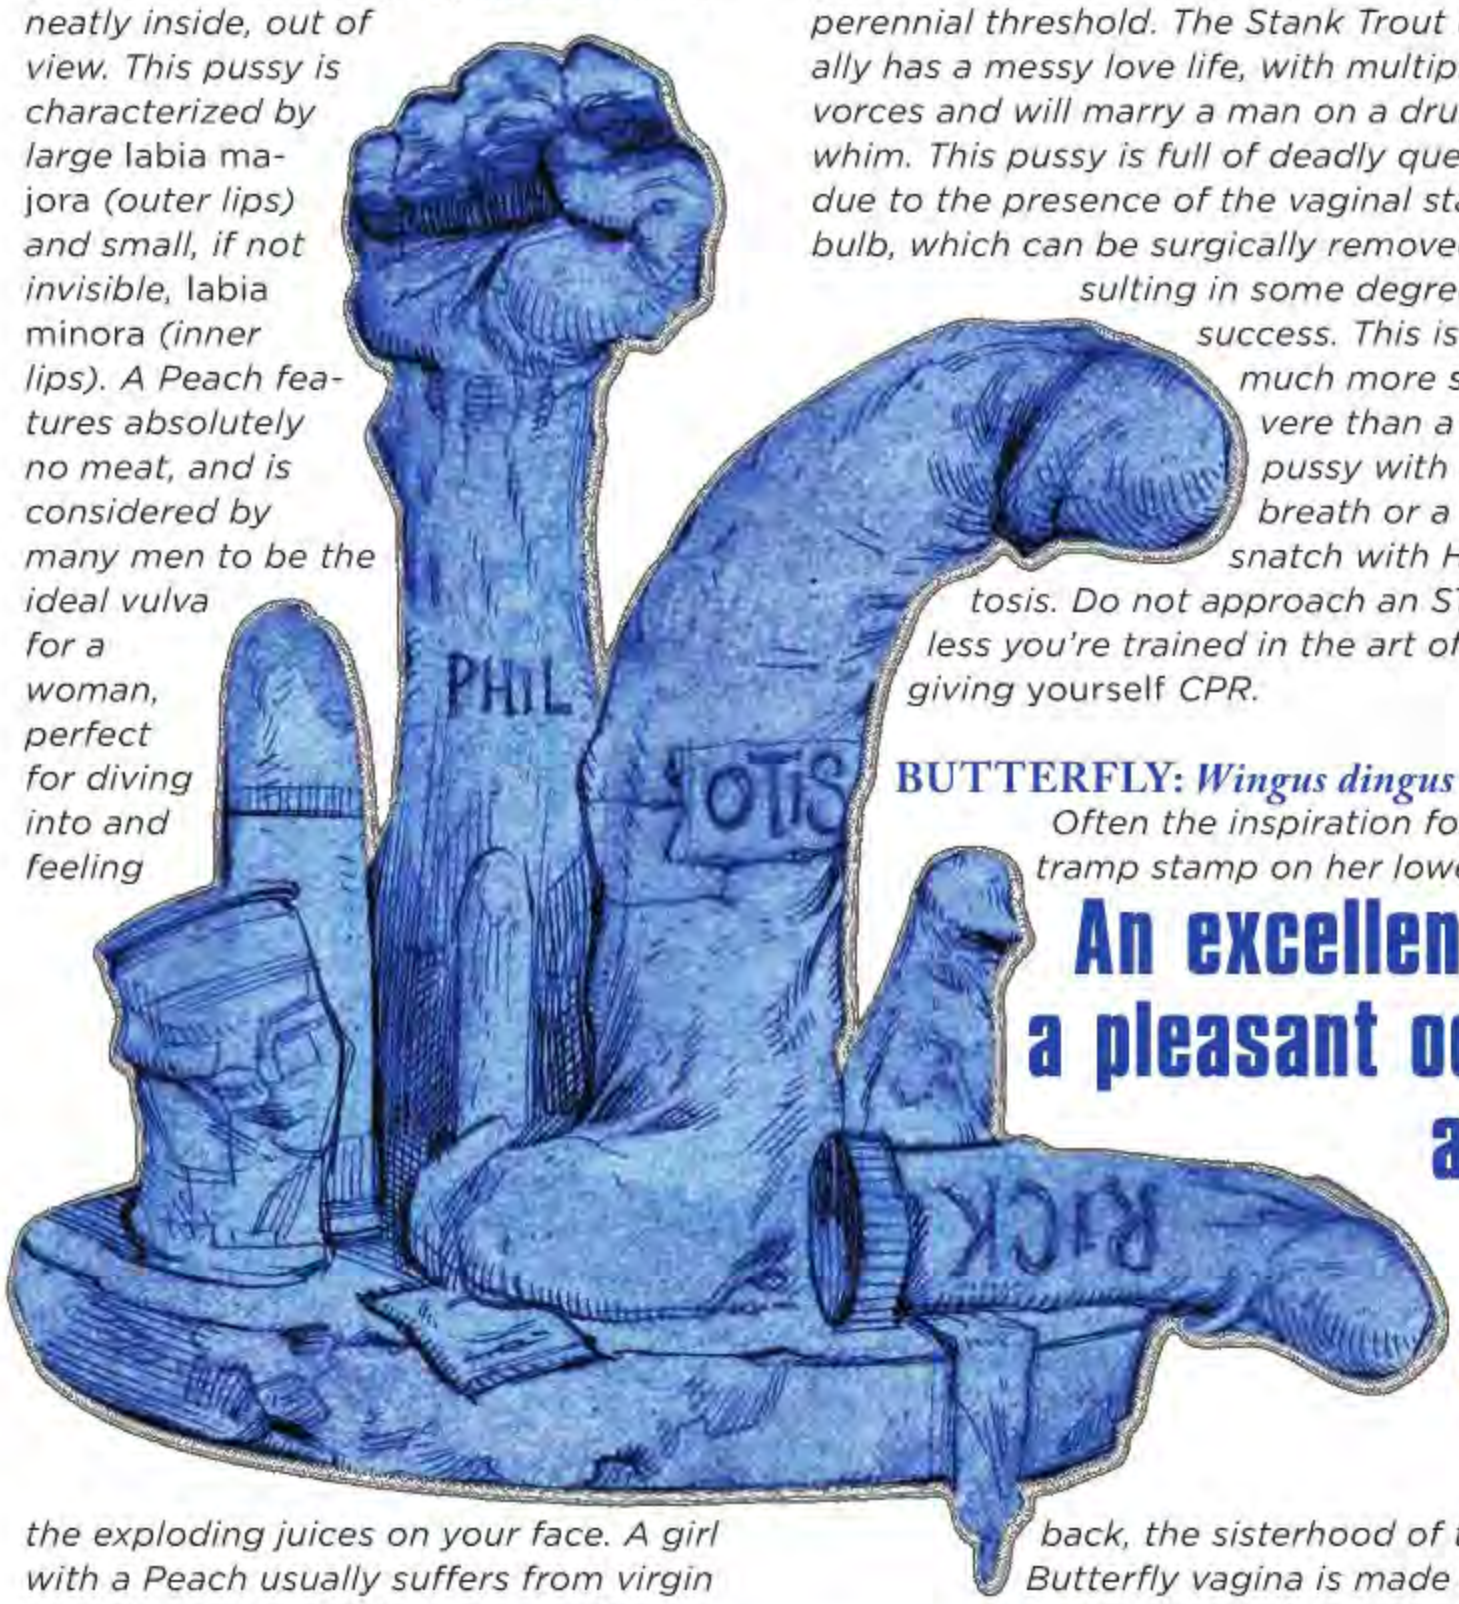
If pussy lips could talk, the Pussy Claw would probably just sigh, light a cigarette, and then drop dead from sheer exhaustion. All elastic elements of this vagina are fatigued beyond recognition. A Pussy Claw is the result of ceaseless pounding and years of below-the-belt abuse by dicks, sex toys, fingers, fruit, and anything and everything that can be shoved up a twat. The labia minora *have nothing left to give. They hang there motionless like dead leaves on a tree. If a woman with a Pussy Claw squats over a dollar bill, the Pussy Claw will unfurl and attempt to pick up the buck, but most of the time drops it, the claw being less talon-like and more like a useless arthritic limb. A Pussy Claw tells more about a woman's past than her future. It's a past full of DPs, three Ps, and shit that's only seen on the Internet. Many women with Pussy Claws consider labia reduction surgery, like former porn slut Houston. But no matter how much of the Claw you snip away, it will eventually grow back, like a depraved monster's head. A Pussy Claw is worthless but resilient, much like the woman who drags it around all day. These women don't die easily.*



Life has been one long greasy fuckfest for this vagina, discolored pink, brown, and white like Neapolitan ice cream. Put a quarter in the ass slot and you'll think you have two minutes to control the Pussy Claw and try to pick up a stuffed animal from the snatch. The pity for the Pussy Claw is matched only by the pity for its likeable twin, the asshole, which protrudes so much that it could be fitted for hiking boots. The Pussy Claw's dumper is nothing but a giant hole that should be cordoned off with police tape so nobody falls in. The Pussy Claw is not the kind of woman who has thought about the future, and by age 45 is so burnt out she's often dependent on disability. Still, some schmoe will think she's hot and continue to enable her lifestyle until she passes away into that big orgy in the sky.

PEACH: *Vagina eximius*

The Holy Grail of Ginch. An excellently shaven Peach exudes a pleasant odor, is nicely shaped, and all the wattle and giblets of an ordinary vagina are tucked neatly inside, out of view. This pussy is characterized by large labia majora *(outer lips) and small, if not invisible,* labia minora *(inner lips). A Peach features absolutely no meat, and is considered by many men to be the ideal vulva for a woman, perfect for diving into and feeling the exploding juices on your face. A girl with a Peach usually suffers from virgin or slut paranoia. If she has sex with two guys a year, she feels guilty, as though she's a dirty whore—but, ironically, that's what she really wants to be. Once in a stable relationship, the Peach will let loose, particularly after quaffing a couple of wine coolers or hard lemonades. Soon she will start tossing your salad and letting you give her the Shocker (2 in the pink and 1 in the stink). Enjoy. Life is good.*



STANK TROUT: Sniffus proluvier aka Sasquatch Snatch

A Stank Trout is the vaginal equivalent of a shower shitter. Thousands of men have tried to get near enough to the Stank Trout to make deductive observations; all but a few have failed. Like Dian Fossey, who lived with wild mountain gorillas, it takes a lifetime commitment, and sometimes it just takes a life. The Stank Trout comes in both largemouth and smallmouth varieties and tends to nest with other Stank Trouts, in groups. In a losing attempt to cover the offensive punani *odor, the Stank Trout often puts way too much shit in her hair and wears a lot of cheap perfume. While she has butch tendencies, she can also be the prettiest girl in the room. You wonder why she's alone, but then you soon find out. Many men, good men, have been lost pursuing the elusive Stank Trout, trying to get a box of Summer's Eve past the perennial threshold. The Stank Trout usually has a messy love life, with multiple divorces and will marry a man on a drunken whim. This pussy is full of deadly queefs, due to the presence of the vaginal stank bulb, which can be surgically removed resulting in some degree of success. This is much more severe than a pussy with bad breath or a snatch with Halitosis. Do not approach an ST unless you're trained in the art of giving* yourself CPR.

BUTTERFLY: *Wingus dingus*

Often the inspiration for the tramp stamp on her lower back, the sisterhood of the Butterfly vagina is made up of typical sorority chicks. She wears cardigan sweaters, likes to shop, and is usually good in the kitchen, though boring in the sack. The Butterfly doesn't like anal sex and the thought that you want to try it can disgust her for days. The Butterfly is in many ways the opposite of the Batwing. The Butterfly usually has a wealthy father who will bail her out of her DUI's, and she'll marry a moderately successful man and have two or three kids, whom she'll worship and name after her favorite brands of wheat bread. This is a basic, standard issue twat. This Butterfly is usually better than average looking, and might work as a receptionist, a dental hygienist, or a teacher. She makes an easy transition from wife to Mommy, and can go from sexy to unsexy in no time flat. When she does shave her snatch, there are usually a few razor bumps left behind because she's not too confident with a look that she finds perverse. The young Butterfly is into wearing exclusively thong panties, but over the years, the panties get bigger and bigger until she's reading in bed, wearing a nightie under a bathrobe, and the sex party is long over.

CHINESE FINGER TRAP: *Smurfus pinkus*

This pussy looks normal from the outside, but upon entrance, you'll feel a bit constricted. Chinese Finger Traps are often found on shy girls, and it doesn't help that they tend to be dry girls, as well. Because they're afraid you'll change your mind about fucking them in the middle of fucking them, the Chinese Finger Trap sucks your pre-cum inside, hoping it will be enough to fertilize her womb. When she's not thinking of new ways to trap you into a commitment, she's playing World of Warcraft *or polishing her collection of* Star Trek *figurines.*

CHEWED-UP FRUIT: *Cunnus pomum*

This pussy looks like an apple that's been left on the radiator for a week. The labia minora *are discolored and worn, fucked to death. With Chewed-Up Fruit, there's nothing left for you except a lifetime of bitching, bad movies, and, worst of all, this gal is not shy about shoving her nasty-ass cunt right in your face and demanding you lick her off and suck her butthole. No shame at all. This abhorrent behavior is the result of early pussy worship from drunk and horny older men. CUF doesn't realize she's aged 20 years, gained 40 lbs., and drives a minivan. Somewhere along the line, somebody told her that her pussy was the most valuable thing on the planet, and now she*

An excellently shaven Peach exudes a pleasant odor, is nicely shaped, and all the wattle and giblets of an ordinary vagina are tucked neatly inside, out of view.

constantly pawns it to the horniest mook for mere kibble.

LADYDICK: *Clitius bulbous*

Science tells us that gender is not a black and white thing. In the case of the Ladydick, it's not a grey thing either: it's a fucking mini cock! This giant clit is bigger than some penises. On the plus side, she's highly orgasmic and can cum just wiggling around in the car and often does so driving to work, which is usually a softball diamond, where the rest of the team calls her "Coach." A Ladydick often wears an athletic cup and gets off while doing wind sprints. There are some famous Ladydicks in Hollywood and some locally infamous Ladydicks on the volunteer fire department. While a Ladydick often prefers a short do, or even cuts her own hair, surprisingly, not all Ladydicks are lesbians.

PUNXSUTAWNEY PHYLLIS: *Pussicus vole*

Like her brother, the famous groundhog who comes out of his hole in February amid lots of fanfare and looks for his shadow, Punxsutawney Phyllis occasionally comes out of her hole, too. If she sees a penis, it means six more weeks of menstrual cramps and bitching. Unlike Phil, this gal obviously got stuck trying to go back in her hole, thus the messy mound in the middle. At least that's what it looks like. And for the male who has decided to mate with a Phyllis, his life soon becomes like the movie Groundhog Day—a replay of the same day over and over and over again.

WARTHOG: *Bumpus milli*

Can a pussy suffer from hemorroids? It's a question that's still up for debate. In the meantime, take all precautions: It could be contagious. A drunk guy will fuck anything. They could be warts, birthmarks, or some creepy pussy disease that science has yet to discover, but the Warthog goes about her life as though nothing exists. She deals with it the way a bald man deals with his problem pate, by wearing a baseball cap everywhere he goes. Eventually she'll have to reveal her bumpy cunt to her lover, but hopefully, by then, he'll be so madly in love that he won't mind. Some Warthogs are successful executive women who you'd never guess that just a few centimeters below that thin pantsuit lays a pussy that rides like a cobblestone street. If she squirts on you, apply hydrogen peroxide and see your primary care physician immediately.

SHINER: *Baggus sensum*

A Shiner is similar to a Truck Hitch, but to the discerning eye, the two vaginas are many folds apart. A Shiner goes out in heels while the Truck Hitch slugs her way to the PTA meeting in sweatpants or pajama jeans. The Shiner looks like it was punched repeatedly by a closed fist, and its coloration is much darker than a standard Truck Hitch. Its constant wetness makes it the "sweaty donut" of pussy family. If you're going to bang a Shiner, be ready for a change of sheets and lots of creamy off-white girl jizz on your dick when you pull out. Unlike many vaginas, a Shiner's success in life is not self-limited by her crotch. She could grow up to be President of the United States. Okay, realistically, Vice President, but it's still a prestigious job.

BIG BIFFY: *Chubbus bubblus*

Overweight to morbidly obese women often transform the pussy they were born with into a Big Biffy, or, rather, the Big Biffy seems to literally swallow up the natural pussy. Its main feature is its swollen vulva and distended, enflamed, and engorged giblets. Big Biffys love children and they don't care who the hell gives it to them or how many baby daddies they have. They are usually supported by the Federal Government and like to gossip about people they will never meet, as though they live and breathe in the same Hollywood circles as Angelina and Brad.

BUTT-GINA: *Nullum anus*

Butt-Gina is not a vagina at all, it is actually her butthole. Shit comes out of here. Turn her around. Fuck the other side: the one that smells like a fish's sweaty feet.

ONE HOSPITAL NIGHT IN BANGCOCK: *Chazus bonozus*

This pussy is just inside-out balls, constructed by a team of gender reassignment surgeons, usually on a "sex change" vacation to a Third World country that specializes in such things. This vagina is the ultimate in high-maintenance: this diva needs bottle after bottle full of female hormones to keep her artificial snatch from snapping back into a penis and to keep her wily beard at bay. OHNIB aficionados require an inordinate amount of lube and the kind of mind that can block out the fact that "I'm fucking a pair of inside-out balls in a hole drilled by surgical instruments."

HAIRHOLE: *Pussicus porcupinus*

Where's the beef? Where's the pussy? Nice armpits, lady. This pussy is camouflaged by a ground layer of nappy twat hair. It's also known as a Willie Nelson in that old joke about the woman with the tattoos on her thighs. This nappy jungle is so dense, no identification can be made without a chainsaw and a machete. Some men like the Hairhole. Some men like eating shit, too.

Overweight to morbidly obese women often transform the pussy they were born with into a Big Biffy, or, rather, the Big Biffy seems to literally swallow up the natural pussy.

LOPPER: *Lippus fucktardus*

God was on his way to a meeting when he made The Lopper, a lopsided set of labia lips, one peculiarly bigger than the other. Some Loppers are so lopsided that they can reportedly actually affect the balance of the girl blessed with this type of affliction. Theoretically it makes sense, as often one ball (testicle) is bigger than the other on males. But balls are encased in a nifty little tote bag, and pussy lips are like an internal organ on the outside of the body. Because of balance issues, the Lopper may be called clumsy, when in reality it's simply a matter of physics. She'll be totally incompetent at activities that require any sort of coordination, and of all vaginas, this one will throw the most classically "like a girl."

Just as a book is actually pretty well judged by its cover, an unclassified pussy can always be closely appraised by its scent. Unfortunately, most women don't walk around with a picture of their pussy pinned to their lapel. That's why fucking will always be a crapshoot. The cooch, like the casino, will always have the edge. At the end of the day, men will fuck whatever they can get their hands on and continue to pay until the day they die.

This is just a crib sheet, based on my 30 years of vaginology. It is and will be, very likely, my lone legacy in life. I hope it inspires other men to get out there with their sketchbooks and cameras and document the vaginas in their lives, so that we may all one day better understand what makes a pussy so much more—and yet so much less—than a fucking hole.

BINGE EATER

Flaxen-haired floozy **Lux** wedges a clammy dildo deep inside gal pal **Veronica's** cummy chaw, pressing her tongue against her swollen bean, sending twinges of pleasure deep inside her. Her velvet tongue slips in and out of Veronica's gash as the pressure builds. Veronica's pussy tenses until she's about to let go and gush like a busted pipe. She moans louder with every exhale. Veronica bites her bottom lip, shrieking like a wounded animal as she orgasms all over her friend's face. Lux laps the girl slop from her lips then sucks on the dirty dildo, savoring Veronica's hot twat jelly, letting the lumpy mess slide down her throat. She then dives face-first right back into her friend's foul fuck gutter.

Feeling randy? Then maybe you should cop a feel of **Randy Moore**, a buxom beauty who's always wet and willing! We caught up with Randy in the shower as she hosed herself down, splashing around with a waterfall between her legs and her clothes still on! As Randy teases and pleases her glistening gash, all we could think is that we wish it were us spraying her snatch—with cum!
